As Team Captain, I represent to the Spanish Pass Polo Club that I will comply with the following responsibilities in addition to those in the USPA yearbook.

1. Prior to submitting entry, Team Captain shall confirm with the USPA office that each player has paid his or her current year's registration fee with the USPA.

2. Prior to submitting entry, Captain shall review his players' handicap cards to determine correct handicaps.

3. Tournament entry fee must accompany this form: entries are not accepted without payment.

Members of Spanish Pass Polo Club are entitled to a \$500 per team.

4. Spanish Pass Polo Club does not encourage outdates and is not obligated to accommodate teams.

We will try to assist teams under certain circumstances, however. The team captain is responsible for submitting outdates for his or her team. Aiken Polo will not consider requests by individuals other than the team captain. Please note any outdates below.

Team Outdates/Times

5. Entries are due 10 days prior to the tournament start date. Schedules will be published seven days prior to the start of the tournament and are final once published. Schedules will be send via email and posted to the APC website. If an individual is unable to play, a substitute should be used.
